AN ACT REQUESTING PORTUGUESE AS A MINOR IN THE LANGUAGE DEPARTMENT

Whereas, The University currently does not contain this language within the Language Department

Whereas, including this subsequent language will add diversity to the campus

Whereas, students have already asked to have this minor

Whereas, there is a growing desire to have Portuguese as a minor instead of a concentration

Whereas, petitions totaling over a hundred names have already been signed for the class

Whereas, a debate has already started, where administrators are discussing whether or not this should be included as a minor

Whereas, it is already a possibility that this language could be included as a minor at this University

Whereas, the Language Department only needs three more classes in order to separate this class as a minor instead of a concentration

Therefore, be it resolved by the Student Senate of the University of North Carolina at Charlotte:

SECTION I: That three more Portuguese classes be added to the Language Department, separating this class from its current state as a concentration.
